

Give back to *Carlsbad*

Does your company have resources (time, funds, supplies) dedicated for non-profit or community use? If so, there are a number of ways to use those charitable resources and give back to the City of Carlsbad.

CityStuff Booklet Sponsorship: There is an immediate need for sponsorship for the booklets titled “When Carlsbad Became a City.” These books are given to 1,400 third graders in Carlsbad, when city staff visits schools to share what the city does. To donate, contact Sue Irey at sue.irey@carlsbadca.gov or call 760-434-2906.

Adopt a Trail Program: Contributions from community organizations, businesses and individuals are critical to the success of the growing Citywide Trails program. The safety, beauty and sustainability of trails are made possible through both volunteer and monetary support. For more information, download the Adopt a Trail brochure on the city’s website, call 760-434-2826 or email Liz.Ketabian@carlsbadca.gov.

Opportunity Grants Program: This program allows Carlsbad youth (17 and younger) to participate in recreation classes, camps and aquatic programs that they may not otherwise be able to afford. Grants of up to \$150 per child are made to low-income families that live in Carlsbad. Your charitable donation could help give a Carlsbad child experiences that will last a lifetime. For more information, call 760-434-2826.

Explorers Programs: Exploring is a work-site based career exploration program that offers youth the opportunity to work with community organizations on a continuous basis, thus gaining valuable insights into a variety of careers. Carlsbad has Police and Fire Explorer programs that host fundraising events and accept charitable donations.
